Re: Springwood Warehouses, LLC

To Whom It May Concern:

Springwood Warehouses, LLC ("Springwood") has been a commercial banking customer of Synovus Bank since 2012.

The Bank extended financing to Springwood in 2012 for the purchase of warehouse property in Wilkinson County, Georgia. We have renewed the initial purchase loan and extended additional financing.

Springwood has executed its loan obligations as agreed, including making timely payments. The initial purchase loan will mature in 2027 and is fully amortized as of its last renewal in 2020.

Springwood maintains multiple deposit accounts with the Bank. The average balance of these accounts over the last 90 days has been \$259,404. Springwood has managed its deposit accounts as agreed, with no overdrafts.

Sincerely,

SYNOVUS BANK
