To Whom It May Concern:

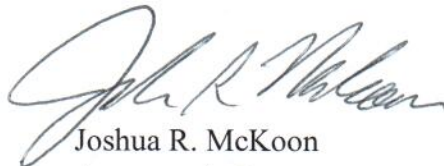

This law firm and its predecessors, McKoon Law Group, LLC, Crowley McKoon, and Day Crowley, LLC, have been honored to represent Springwood Warehouses, LLC (“Springwood”) since its formation in 2012.

Acting as attorney for its organizer, I formed Springwood and served as its registered agent and outside general counsel from 2012 to 2018. I recently advised Springwood in connection with the amendment and restatement of its articles of organization and related organizational matters.

Springwood is a successful, well managed business enterprise with substantial real estate holdings and an excellent reputation. Its organizer and managing member, David J. Shafer, is a personal friend.

Very truly yours,

MCKOON LAW FIRM
